

OCTOBER NEWSLETTER

WELCOME BACK

It was a great joy welcoming all our children back to Bright Kids Nursery. The First week was all about discovering the joys of learning and celebrating the 'BACK TO SCHOOL' week! in the warm friendly and cozy enabling environment of Bright Kids Nursery. We made new friends, watched videos and read books on back to school and enjoyed the little chef program. It was an extraordinary week for children-full of new experiences and fun!

The year theme for 2019-20 for the age group 2-3 is 'Around the World' and for the age group 3-4 is the 'Voyages into Space'

We will take them on adventures with our trusty sidekick Ziggy the friendly explorer. Each week the children will become Explorers to join Hannah, our drama teacher and Ziggy in completing a mission sent from Bright Kids Headquarters. The missions require the Explorers to help fix broken rockets & jets that run on the fuel of happiness, create food for our explorer who gobbles up rhymes, rescue travelers using

teamwork, clean up rubbish left by pirates and find the lost map to help their friends get back home. All of these adventures are designed not only to develop their imagination and expressive art skills, but integrate the progression of physical & vocal control, language & communication skills, their understanding of the world, and finally the all-important personal, social and emotional development.

COME ON, BRIGHT STARS, LET'S GO!

LEARNING AND ACTIVITIES

THIS MONTH

Our theme this month is "About me and my family". We will focus on relationships with parents and how involved our parents are in their children's Holistic development. Learning about different family members and their roles in the children's life.

BRIGHT SUN

We are happy to introduce **Hannah** a BA Honours in Drama from Loughborough University, UK, Hannah has been professionally teaching Drama for 6 years and been involved in children's work for over 22 years.

Creative Drama is a happy and fun medium of learning & expression and promotes language and cognitive development in the early years

HIGHLIGHTS

The **Bright Kids Nursery** brand is recognized for its very high standards for safety and quality. Safe World Specialists declared that the branches - all of which are ISO 9001:2015 certified - are 'Safe Nurseries'.

Bright Kids Nursery has been recognized as a Super brand, a status conferred on the most outstanding brands by invitation only.

Bright Kids Nursery's approach to learning and early years education focuses on supporting children in four areas - Literacy, Maths, Understanding the World, and Expressive Arts and Design. Bright Kids Nursery uses neuroscience-based learning strategies that are carefully mapped to the ways in which the brain develops. Bright Kids Nursery harnesses the latest in innovative technology through its STREAM experimental learning curriculum, offering a carefully-mapped, age-appropriate coding curriculum - Coding @2 - that unravels the secrets of coding for toddlers.
