

May Newsletter

This month

We believe that children can learn new skills through different activities in a stimulating environment. Our theme this month will be 'My Country'. The children will learn about different countries, lifestyles, traditions and cultures along with new shapes, letters, colours and numbers.

Tips for support

- Please take the time to read stories and poems to your children every day; it's an enjoyable way to be involved in your child's early literacy development
- Ask questions and allow your children to ask you questions. Talk about the pictures and sounds in the stories for continuous familiarization
- Check our monthly calendar for the 'letters of the month' (we're teaching the children phonic sounds to facilitate their reading). Look for books, toys, puzzles and boxes of food that feature those sounds to develop their understanding
- Please label all your children's belongings
